Additional Information

“Annie’s Toy” is hull#322 and is the desirable S2 (second series) version. Lagoon updated the L380 second series versions with the following upgrades:

Large one-way hull windows in cabins (same as the Lagoon 440) for improved natural lighting, Harken winches and deck gear, new galley with more counter space/storage, separate stove top and upgraded oven, new navigation station with more space for equipment, new owner's cabin with privacy door and more room, new bench seat in cockpit alongside the bulkhead with integrated cooler, versatile salon and cockpit table arrangement that allows for interchangeability, new steering position with larger console and double seat, additional winch for halyards on port for ease of sail handling.

Constant maintenance on “Annie’s Toy” has changed many original items with original Lagoon parts or better by a professional. The main changes have been (2) solar panels added on dinghy davits, Xantrex Inverter/charger, 200ft of 10mm galvanized chain on the main anchor, Delta main anchor, and new trampoline added mid 2009.
